*Analysis by the Legislative Reference Bureau*

Currently, any candidate who receives votes in an election and any elector who votes in a referendum may petition for a recount of the votes cast. If the difference between the votes cast for the leading candidate and those cast for the petitioner or the difference between the affirmative and negative votes cast upon any referendum question is at least ten votes if 1,000 or fewer votes are cast or more than 0.5 percent but not more than 2 percent of the total votes if more than 1,000 votes are cast, the petitioner must pay a fee of \$5 per ward or \$5 per municipality if a municipality is not divided into wards. The bill increases that amount to \$25 per ward or \$25 per municipality if a municipality is not divided into wards.
