AUTHORS SUBJECT TO CHANGE

1 **AN ACT** *to renumber and amend* 978.045 (1g); and *to amend* 175.47 (5) of the
2 statutes; **relating to:** prosecution decisions following deaths involving law
3 enforcement officers.

Analysis by the Legislative Reference Bureau

Current law requires an investigation following a death that involves a law enforcement officer and outlines specific requirements of the investigation. One requirement is that the investigators provide a report of the investigation to the district attorney of the county in which the death occurred, and that district attorney must determine whether to prosecute the officer. This bill requires instead that the district attorney provide the report to a special prosecutor appointed by the court and that special prosecutor then must determine whether to prosecute the officer.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
