2019 ASSEMBLY BILL 505

October 7, 2019 - Introduced by Representatives SORTWELL and TUSLER, cosponsored by Senators JACQUE and CARPENTER. Referred to Committee on Transportation.

AUTHORS SUBJECT TO CHANGE

1 **AN ACT to amend** 348.10 (2) of the statutes; **relating to:** operating a vehicle
2 loaded with snow and ice.

Analysis by the Legislative Reference Bureau

Under current law, a person may not operate a vehicle on a highway unless the vehicle is loaded so as to prevent its contents from dropping, sifting, leaking, or otherwise escaping. The bill expands this prohibition to include accumulated snow and ice.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 348.10 (2) of the statutes is amended to read:
4 348.10 (2) No person shall operate a vehicle on a highway unless such vehicle
5 is so constructed and loaded as to prevent its contents, including accumulated snow
6 and ice, from dropping, sifting, leaking or otherwise escaping therefrom.
