Analysis by the Legislative Reference Bureau

This bill modifies the membership requirements for incorporation of a Red Arrow Club.

Current law allows various state organizations of veterans' clubs or societies to incorporate by filing for incorporation with the Department of Financial Institutions. A Red Arrow Club organized in this state, composed exclusively of the following persons, upon filing a statement of intent and list of its officers with DFI without fee, becomes a body corporate with corporate powers to transact business in this state: 1) members of the 32nd Division at any time during World War I; 2) members who served in the 32nd Division of the U.S. Army at any time in the period from October 10, 1940, to the termination of World War II; or 3) members who served in the 32nd Division in federal service at any time in the period from October 15, 1961, to August 10, 1962, during the Berlin Crisis.

This bill modifies the membership requirements for a Red Arrow Club to be eligible for incorporation as described above. Under the bill, the Red Arrow Club must be composed of the following persons: 1) members of the 32nd Division who served at any time from World War II; 2) members who served in the 32nd Division in the U.S. Army; or 3) members who served with the 32nd Infantry Brigade or the 32nd Infantry Brigade Combat Team, Wisconsin Army National Guard, in any conflict, deployment, peacekeeping operation, or domestic response if the member
