2 (et) and 49.162 of the statutes; and *to affect* 2011 Wisconsin Act 32, section
3 9408 (3f); **relating to:** making the transitional jobs program permanent,
4 increasing audit and compliance positions in the Department of Revenue, and
5 making appropriations.

Analysis by the Legislative Reference Bureau

Current law requires the Department of Children and Families (DCF) to conduct a transitional jobs demonstration project to the extent that DCF obtains federal funds for the cost of operating the project. The transitional jobs demonstration project may provide up to 2,500 transitional jobs to low-income adults who have been unemployed for at least four weeks, are ineligible to receive unemployment insurance benefits, are ineligible for the Wisconsin Works program (W-2), and have annual household incomes below 150 percent of the poverty level. The biennial budget act eliminates this demonstration project on July 1, 2013.

Under this bill, instead of being eliminated, the transitional jobs demonstration project is converted into a permanent program, effective July 1, 2012. The bill appropriates \$9,300,000 general purpose revenue for the program in fiscal year 2012-13, removes the limit on the number of transitional jobs that DCF may provide, specifies that the jobs must be provided on a statewide basis, and specifies that DCF must use the allocation of W-2 participants as a factor when determining how to allocate the transitional jobs throughout the state.

ASSEMBLY BILL 641

The bill also increases full-time equivalent positions for auditors, audit supervisors, and agents in the Department of Revenue related to the administration of all state taxes and to county sales and use taxes.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
