

## 2023 ASSEMBLY BILL 81

February 28, 2023 - Introduced by Representatives SPIROS, GREEN and NEDWESKI, cosponsored by Senators JAMES, MARKLEIN and FEYEN. Referred to Committee on Judiciary.

\*\*\*AUTHORS SUBJECT TO CHANGE\*\*\*

1     **AN ACT to amend** 347.48 (2m) (g) of the statutes; **relating to:** recovery of  
2     damages for failure to wear a safety belt.

---

### *Analysis by the Legislative Reference Bureau*

This bill eliminates the cap on the amount that recovery for injuries or damages may be reduced for failure to wear a safety belt.

Under current law, evidence of whether an individual complied with the requirement to wear a safety belt for the operator of the motor vehicle and passengers is admissible in a civil action for injuries or damages resulting from the use or operation of a motor vehicle. If the individual failed to wear a safety belt, the recovery for injuries or damages may be reduced by the amount determined to be caused by the failure to wear a safety belt, but the reduction may not be more than 15 percent.

The bill allows the reduction in recovery but eliminates the 15-percent limit. Under current law and under the bill, the calculation in reduction of recovery for failure to wear a safety belt does not affect the determination of causal negligence in the civil action.
