\*\*\*AUTHORS SUBJECT TO CHANGE\*\*\*

1     **AN ACT to create** 66.1105 (17) (g) of the statutes; **relating to:** limitations on the

3           financing district created in the city of Evansville.

### *Analysis by the Legislative Reference Bureau*

Under current law, the equalized value of taxable property of a new or amended tax incremental district (TID) plus the value increment of all existing TIDs in a city or village may not exceed 12 percent of the total equalized value of taxable property in the city or village. Under this bill, the 12 percent rule does not apply to TID Number 10 created by the city of Evansville. The exception expires upon the termination of that TID.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
