### *Analysis by the Legislative Reference Bureau*

Under current law, a judge may release a person charged with a crime without bail, or may release the defendant only if he or she executes an unsecured appearance bond, or may require a defendant to execute a secured bond to be released. Under this bill, a judge may not release a defendant without bail or on an unsecured bond if the defendant has a previous conviction for bail jumping. Such a defendant may be released only if he or she executes a secured bond or deposits cash in lieu of a bond in an amount of at least \$5,000.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
