AUTHORS SUBJECT TO CHANGE

AN ACT ***to amend*** 71.05 (6) (a) 15., 71.21 (4) (a), 71.26 (2) (a) 4., 71.34 (1k) (g), 71.45 (2) (a) 10. and 76.67 (2); and ***to create*** 71.07 (5p), 71.10 (4) (cs), 71.28 (5p), 71.30 (3) (dr), 71.47 (5p), 71.49 (1) (dr) and 76.634 of the statutes; **relating to:** an income and franchise tax credit for investments in a community development financial institution.

Analysis by the Legislative Reference Bureau

Under this bill, a person who makes a qualified investment in a registered community development financial institution (CDFI) may receive a credit against state income and franchise taxes, for taxable years beginning after December 31, 2014, and before January 1, 2017, and against license fees paid by insurers. The bill defines a CDFI as an entity that is organized under the laws of this state and has been certified by the Community Development Financial Institutions Fund established under federal law (fund) as meeting certain eligibility requirements. The bill defines a "qualified investment" as a loan or deposit that pays no interest of at least $10,000 that is made for a minimum of 60 months and over which the CDFI retains complete control for the duration of the investment period.

A person may claim 10 percent of the person's qualified investment, if the investment is at least $10,000, but not more than $150,000, or 12 percent of the person's qualified investment, if the investment is more than $150,000, but not more than $500,000. If the person withdraws the qualified investment from the CDFI before the end of the investment period and does not reinvest the qualified investment in another CDFI, the person must repay a portion of the credit amounts that the person received by adding the portion to the person's tax or fee liability in a subsequent year. However, the portion that the person must repay depends on when the person withdraws the investment during the investment period. The portion that the person must repay decreases the longer the person holds the investment during the investment period.

For further information see the ***state*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
