2023 ASSEMBLY BILL 928

January 12, 2024 - Introduced by Representatives PENTERMAN and ALLEN, cosponsored by Senator JACQUE. Referred to Committee on Criminal Justice and Public Safety.

AUTHORS SUBJECT TO CHANGE

1 **AN ACT** *to amend* 943.20 (3) (a) and (bf) and 971.19 (2); and *to create* 943.20 (5)
2 and (6) and 943.50 (6) and (7) of the statutes; **relating to:** theft crimes and
3 providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, the penalty for the crime of theft of property varies by the value of the property taken. Under current law, theft of property valued at no more than \$2,500 is a Class A misdemeanor; theft of property valued at more than \$2,500 but not more than \$5,000 is a Class I felony; theft of property valued at more than \$5,000 but not more than \$10,000 is a Class H felony; theft of property valued at more than \$10,000 but not more than \$100,000 is a Class G felony; and theft of property valued at more than \$100,000 is a Class F felony.

This bill reduces the threshold for the two lowest theft crimes so that theft of property valued at no more than \$500 is a Class A misdemeanor and theft of property valued at more than \$500 but not more than \$5,000 is a Class I felony.

The bill also specifies that, if a defendant commits more than one violation of theft of property or more than one violation of retail theft in a six-month period, the value of the property taken at each violation may be aggregated as one crime to determine the classification of the crime. The bill specifies that if the value is aggregated for crimes that occur in different jurisdictions, the crime may be tried in any jurisdiction in which the theft was committed.

The bill also creates a penalty enhancer for a felony level of theft of property or retail theft if, during the commission of the felony, the defendant's conduct created

ASSEMBLY BILL 928

a substantial risk of bodily harm to another person. The penalty enhancer increases the maximum term of imprisonment for the felony by half of the maximum term of imprisonment for that felony.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.
