2 and 710.17 (2m) of the statutes; **relating to:** the rights of members of

Analysis by the Legislative Reference Bureau

This bill prohibits a homeowners' association and a housing cooperative from restricting or preventing a member from displaying a political sign on property in which the member has a property interest or a right to exclusive use. Under the bill, a political sign is a sign that supports or opposes a candidate for public office or a referendum question.

Current law prohibits homeowners' associations and housing cooperatives from restricting or preventing a member of the association or cooperative from displaying the United States flag on property in which the member has a property interest or a right to exclusive use. However, current law does allow homeowners' associations and housing cooperatives to impose reasonable restrictions on the time, place, or manner of displaying the United States flag that is necessary to protect a substantial interest of the homeowners' association or housing cooperative. The bill extends this exception to allow a homeowners' association and a housing cooperative to impose reasonable restrictions on the time, place, or manner of displaying political
