Analysis by the Legislative Reference Bureau

This bill ratifies and enters Wisconsin into the Physical Therapy Licensure Compact (compact), which provides for the ability of a physical therapist or physical therapist assistant licensed in one member state (licensee) to obtain a “compact privilege” to practice in a remote state without obtaining a license in that remote state. Significant provisions of the compact include:

1. The creation of a Physical Therapy Compact Commission (commission), which includes one member of the licensure boards of each member state. The

ASSEMBLY BILL 942

commission has various powers and duties granted in the compact, including overseeing the administration of the compact, enforcing the compact, adopting bylaws, promulgating binding rules for the compact, employing an executive director and employees, and establishing and electing an executive board. The commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff.

2. A process whereby a licensee may obtain a compact privilege to practice in another member state. A licensee's primary state of residence is considered to be his or her home state, and any other member state in which the licensee wishes to practice is considered a remote state. A licensee providing physical therapy in a remote state under a compact privilege is subject to that state's regulatory authority. A remote state may take action against a licensee's compact privilege in the remote state, and the licensee is then not eligible for a compact privilege in any state until certain criteria are met. If a licensee's compact privilege in any remote state is removed, the individual loses his or her compact privilege in any remote state until certain criteria are met. However, a home state has the exclusive power to impose adverse action against a license issued by the home state. If a home state license is encumbered (i.e., suspended), the licensee loses his or her compact privilege in any remote state until certain criteria are met. Member states may charge a fee for granting a compact privilege and may impose a jurisprudence requirement for granting a compact privilege that assesses an individual's knowledge of the laws and rules governing the practice of physical therapy in a particular state.

3. The ability for member boards to conduct joint investigations of licensees and the ability of member states to issue subpoenas that are enforceable in other states.

4. The creation of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states. A member state must submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission.

5. Various provisions regarding resolutions of disputes between the commission and member states and between member and nonmember states, including a process for termination of a state's membership in the compact if the state defaults on its obligations under the compact.

Having already been enacted by more than ten states, the compact becomes effective in this state upon enactment of the bill. The compact provides that it may be amended upon enactment of an amendment by all member states. A state may withdraw from the compact by repealing the statute authorizing the compact, but the compact provides that a withdrawal does not take effect until six months after the effective date of that repeal.

16 (c) Nothing in this compact shall override a member state's decision that
17 participation in an alternative program may be used in lieu of adverse action and
18 that such participation shall remain nonpublic if required by the member state's

16 investigations and disposition of cases resulting from any adverse action taken
17 against that licensee.

18 (f) Joint investigations:

4 1. The commission is an instrumentality of the compact states.

5 2. Venue is proper and judicial proceedings by or against the commission shall

23 in the business and affairs of the commission.

ASSEMBLY BILL 942

1 6. A delegate shall vote in person or by such other means as provided in the
2 bylaws. The bylaws may provide for delegates' participation in meetings by

23 responsibility of investigation or determination of compliance issues pursuant to the
24 compact.

ASSEMBLY BILL 942

1 j. Matters specifically exempted from disclosure by federal or member state
2 statute.

3 3. If a meeting, or portion of a meeting, is closed pursuant to this provision, the
4 commission's legal counsel or designee shall certify that the meeting may be closed
5 and shall reference each relevant exempting provision.

6 4. The commission shall keep minutes that fully and clearly describe all
7 matters discussed in a meeting and shall provide a full and accurate summary of

13 (f) Financing of the commission:

14 1. The commission shall pay, or provide for the payment of, the reasonable

ASSEMBLY BILL 942

1 4. The commission shall not incur obligations of any kind prior to securing the
2 funds adequate to meet the same; nor shall the commission pledge the credit of any
3 of the member states, except by and with the authority of the member state.

4 5. The commission shall keep accurate accounts of all receipts and
5 disbursements. The receipts and disbursements of the commission shall be subject
6 to the audit and accounting procedures established under its bylaws. However, all
7 receipts and disbursements of funds handled by the commission shall be audited
8 yearly by a certified or licensed public accountant, and the report of the audit shall
9 be included in and become part of the annual report of the commission.

10 (g) Qualified immunity, defense, and indemnification:

11 1. The members, officers, executive director, employees, and representatives
12 of the commission shall be immune from suit and liability, either personally or in

20 misconduct of that person.

21 2. The commission shall defend any member, officer, executive director,

25 person against whom the claim is made had a reasonable basis for believing occurred

ASSEMBLY BILL 942

1 within the scope of commission employment, duties, or responsibilities; provided
2 that nothing herein shall be construed to prohibit that person from retaining his or
3 her own counsel; and provided further, that the actual or alleged act, error, or
4 omission did not result from that person's intentional or willful or wanton
5 misconduct.

6 3. The commission shall indemnify and hold harmless any member, officer,
7 executive director, employee, or representative of the commission for the amount of
8 any settlement or judgment obtained against that person arising out of any actual

2 6. Other information that may facilitate the administration of this compact, as
3 determined by the rules of the commission.

4 (c) Investigative information pertaining to a licensee in any member state will
5 only be available to other party states.

6 (d) The commission shall promptly notify all member states of any adverse
7 action taken against a licensee or an individual applying for a license. Adverse action
8 information pertaining to a licensee in any member state will be available to any
9 other member state.

10 (e) Member states contributing information to the data system may designate
11 information that may not be shared with the public without the express permission
12 of the contributing state.

13 (f) Any information submitted to the data system that is subsequently required
14 to be expunged by the laws of the member state contributing the information shall
15 be removed from the data system.

16 **(9) RULE MAKING.** (a) The commission shall exercise its rule-making powers
17 pursuant to the criteria set forth in this section and the rules adopted thereunder.
18 Rules and amendments shall become binding as of the date specified in each rule or
19 amendment.

20 (b) If a majority of the legislatures of the member states rejects a rule, by
21 enactment of a statute or resolution in the same manner used to adopt the compact
22 within 4 years of the date of adoption of the rule, then such rule shall have no further
23 force and effect in any member state.

24 (c) Rules or amendments to the rules shall be adopted at a regular or special
25 meeting of the commission.

ASSEMBLY BILL 942

1 (d) Prior to promulgation and adoption of a final rule or rules by the
2 commission, and at least 30 days in advance of the meeting at which the rule will be
3 considered and voted upon, the commission shall file a notice of proposed rule
4 making at all of the following:

5 1. On the website of the commission or other publicly accessible platform.

15 4. The manner in which interested persons may submit notice to the
16 commission of their intention to attend the public hearing and any written
17 comments.

18 (f) Prior to adoption of a proposed rule, the commission shall allow persons to
19 submit written data, facts, opinions, and arguments, which shall be made available
20 to the public.

21 (g) The commission shall grant an opportunity for a public hearing before it
22 adopts a rule or amendment if a hearing is requested by any of the following:

23 1. At least 25 persons.

24 2. A state or federal governmental subdivision or agency.

25 3. An association having at least 25 members.

ASSEMBLY BILL 942

1 (h) 1. If a hearing is held on the proposed rule or amendment, the commission
2 shall publish the place, time, and date of the scheduled public hearing. If the hearing
3 is held via electronic means, the commission shall publish the mechanism for access
4 to the electronic hearing.

5 2. All persons wishing to be heard at the hearing shall notify the executive
6 director of the commission or other designated member in writing of their desire to
7 appear and testify at the hearing not less than 5 business days before the scheduled
8 date of the hearing.

9 3. Hearings shall be conducted in a manner providing each person who wishes
10 to comment a fair and reasonable opportunity to comment orally or in writing.

11 4. All hearings will be recorded. A copy of the recording will be made available
12 on request.

13 5. Nothing in this section shall be construed as requiring a separate hearing
14 on each rule. Rules may be grouped for the convenience of the commission at
15 hearings required by this section.

16 (i) Following the scheduled hearing date, or by the close of business on the
17 scheduled hearing date if the hearing was not held, the commission shall consider
18 all written and oral comments received.

19 (j) If no written notice of intent to attend the public hearing by interested
20 parties is received, the commission may proceed with promulgation of the proposed
21 rule without a public hearing.

22 (k) The commission shall, by majority vote of all members, take final action on
23 the proposed rule and shall determine the effective date of the rule, if any, based on
24 the rule-making record and the full text of the rule.

ASSEMBLY BILL 942

1 (L) Upon determination that an emergency exists, the commission may
2 consider and adopt an emergency rule without prior notice, opportunity for
3 comment, or hearing, provided that the usual rule-making procedures provided in
4 the compact and in this section shall be retroactively applied to the rule as soon as
5 reasonably possible, in no event later than 90 days after the effective date of the rule.
6 For the purposes of this provision, an emergency rule is one that must be adopted
7 immediately in order to do any of the following:

- 8 1. Meet an imminent threat to public health, safety, or welfare.
- 9 2. Prevent a loss of commission or member state funds.
- 10 3. Meet a deadline for the promulgation of an administrative rule that is
11 established by federal law or rule.
- 12 4. Protect public health and safety.

13 (m) The commission or an authorized committee of the commission may direct
14 revisions to a previously adopted rule or amendment for purposes of correcting
15 typographical errors, errors in format, errors in consistency, or grammatical errors.
16 Public notice of any revisions shall be posted on the website of the commission. The
17 revision shall be subject to challenge by any person for a period of 30 days after
18 posting. The revision may be challenged only on grounds that the revision results
19 in a material change to a rule. A challenge shall be made in writing, and delivered
20 to the chair of the commission prior to the end of the notice period. If no challenge
21 is made, the revision will take effect without further action. If the revision is
22 challenged, the revision may not take effect without the approval of the commission.

23 **(10) OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.** (a) *Oversight.* 1. The
24 executive, legislative, and judicial branches of state government in each member
25 state shall enforce this compact and take all actions necessary and appropriate to

ASSEMBLY BILL 942

1 effectuate the compact's purposes and intent. The provisions of this compact and the
2 rules promulgated hereunder shall have standing as statutory law.

3 2. All courts shall take judicial notice of the compact and the rules in any
4 judicial or administrative proceeding in a member state pertaining to the subject
5 matter of this compact which may affect the powers, responsibilities, or actions of the
6 commission.

7 3. The commission shall be entitled to receive service of process in any such
8 proceeding, and shall have standing to intervene in such a proceeding for all
9 purposes. Failure to provide service of process to the commission shall render a
10 judgment or order void as to the commission, this compact, or promulgated rules.

11 (b) *Default, technical assistance, and termination.* 1. If the commission
12 determines that a member state has defaulted in the performance of its obligations
13 or responsibilities under this compact or the promulgated rules, the commission
14 shall do all of the following:

15 a. Provide written notice to the defaulting state and other member states of the
16 nature of the default, the proposed means of curing the default, and/or any other
17 action to be taken by the commission.

18 b. Provide remedial training and specific technical assistance regarding the
19 default.

20 2. If a state in default fails to cure the default, the defaulting state may be
21 terminated from the compact upon an affirmative vote of a majority of the member
22 states, and all rights, privileges, and benefits conferred by this compact may be
23 terminated on the effective date of termination. A cure of the default does not relieve
24 the offending state of obligations or liabilities incurred during the period of default.

ASSEMBLY BILL 942

1 3. Termination of membership in the compact shall be imposed only after all
2 other means of securing compliance have been exhausted. Notice of intent to
3 suspend or terminate shall be given by the commission to the governor, the majority
4 and minority leaders of the defaulting state's legislature, and each of the member
5 states.

6 4. A state that has been terminated is responsible for all assessments,
7 obligations, and liabilities incurred through the effective date of termination,
8 including obligations that extend beyond the effective date of termination.

9 5. The commission shall not bear any costs related to a state that is found to
10 be in default or that has been terminated from the compact, unless agreed upon in
11 writing between the commission and the defaulting state.

12 6. The defaulting state may appeal the action of the commission by petitioning
13 the U.S. District Court for the District of Columbia or the federal district where the
14 commission has its principal offices. The prevailing member shall be awarded all
15 costs of such litigation, including reasonable attorney's fees.

16 (c) *Dispute resolution.* 1. Upon request by a member state, the commission
17 shall attempt to resolve disputes related to the compact that arise among member
18 states and between member and nonmember states.

19 2. The commission shall promulgate a rule providing for both mediation and
20 binding dispute resolution for disputes as appropriate.

21 (d) *Enforcement.* 1. The commission, in the reasonable exercise of its
22 discretion, shall enforce the provisions and rules of this compact.

23 2. By majority vote, the commission may initiate legal action in the U.S.
24 District Court for the District of Columbia or the federal district where the
25 commission has its principal offices against a member state in default to enforce

ASSEMBLY BILL 942

1 compliance with the provisions of the compact and its promulgated rules and bylaws.
2 The relief sought may include both injunctive relief and damages. In the event
3 judicial enforcement is necessary, the prevailing member shall be awarded all costs
4 of such litigation, including reasonable attorney's fees.

5 3. The remedies herein shall not be the exclusive remedies of the commission.
6 The commission may pursue any other remedies available under federal or state law.

7 **(11) DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL**
8 **THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENTS.** (a) The
9 compact shall come into effect on the date on which the compact statute is enacted
10 into law in the 10th member state. The provisions, which become effective at that
11 time, shall be limited to the powers granted to the commission relating to assembly
12 and the promulgation of rules. Thereafter, the commission shall meet and exercise
13 rule-making powers necessary to the implementation and administration of the
14 compact.

15 (b) Any state that joins the compact subsequent to the commission's initial
16 adoption of the rules shall be subject to the rules as they exist on the date on which
17 the compact becomes law in that state. Any rule that has been previously adopted
18 by the commission shall have the full force and effect of law on the day the compact
19 becomes law in that state.

20 (c) 1. Any member state may withdraw from this compact by enacting a statute
21 repealing the same.

22 2. A member state's withdrawal shall not take effect until 6 months after
23 enactment of the repealing statute.

ASSEMBLY BILL 942

1 3. Withdrawal shall not affect the continuing requirement of the withdrawing
2 state's physical therapy licensing board to comply with the investigative and adverse
3 action reporting requirements of this act prior to the effective date of withdrawal.

4 (d) Nothing contained in this compact shall be construed to invalidate or
5 prevent any physical therapy licensure agreement or other cooperative arrangement
6 between a member state and a nonmember state that does not conflict with the
7 provisions of this compact.

8 (e) This compact may be amended by the member states. No amendment to this
9 compact shall become effective and binding upon any member state until it is enacted
10 into the laws of all member states.

11 **(12) CONSTRUCTION AND SEVERABILITY.** This compact shall be liberally construed
12 so as to effectuate the purposes thereof. The provisions of this compact shall be
13 severable and if any phrase, clause, sentence, or provision of this compact is declared
14 to be contrary to the constitution of any party state or of the United States or the
15 applicability thereof to any government, agency, person, or circumstance is held
16 invalid, the validity of the remainder of this compact and the applicability thereof to
17 any government, agency, person, or circumstance shall not be affected thereby. If this
18 compact shall be held contrary to the constitution of any party state, the compact
19 shall remain in full force and effect as to the remaining party states and in full force
20 and effect as to the party state affected as to all severable matters.

21 **SECTION 22.** 448.986 of the statutes is created to read:
