AUTHORS SUBJECT TO CHANGE

1 **Relating to:** designating January as Mentoring Month in Wisconsin.

2 Whereas, since 2002, January has been National Mentoring Month;

3 Whereas, the goals of National Mentoring Month are to raise awareness and
4 recruit individuals to mentor;

5 Whereas, mentors are adults who devote time and attention to young people,
6 thereby helping them to discover personal strengths and achieve their potential
7 through a trusting relationship;

8 Whereas, mentors come from all walks of life, providing young people with
9 viewpoints and experiences they may not otherwise have;

10 Whereas, quality mentoring encourages positive choices and promotes
11 self-esteem and academic achievement;

12 Whereas, mentoring programs have shown themselves to be effective in
13 combating discipline problems, substance abuse, incarceration, and truancy;

14 Whereas, research shows young people who were at risk for not completing high
15 school but who had a mentor were 55 percent more likely to be enrolled in college,

1 81 percent more likely to report participating regularly in sports or extracurricular
2 activities, more than twice as likely to say they held a leadership position in a club
3 or on a sports team, and 78 percent more likely to volunteer regularly in their
4 communities;

5 Whereas, youth development experts agree mentoring is critical to the social,
6 emotional, and cognitive development of young people;

7 Whereas, mentors help set career goals and provide advice and support;

8 Whereas, Wisconsin is home to numerous mentoring organizations, pairing
9 young people from all across the state with mentors in their local area;

10 Whereas, the benefits of mentoring link youth to economic opportunity and
11 strengthen our communities;

12 Whereas, despite these benefits, one in three youth will reach age 19 without
13 a mentor, constituting a “mentoring gap” that shows a need for collaboration and
14 resources; now, therefore, be it

15 ***Resolved by the assembly, the senate concurring, That*** the month of
16 January shall be designated as “Mentoring Month” in Wisconsin.
