2 Whereas, dogs have served in our nation's military with honor and valor
3 throughout its history; and

5 note of Stubby, the most highly decorated American military working dog, who was
6 promoted to the rank of Sergeant for his service; and

7 Whereas, United States Secretary of War Robert P. Patterson authorized the
8 use of dogs in war efforts on March 13, 1942; and

9 Whereas, dogs accepted into the military training program underwent a
10 rigorous training program that exposed the dogs to muzzles, gas masks, gunfire, and

21 veterans to whom they bring love, hope, and healing; and

22 Whereas, since the attack against the United States of America on September
23 11, 2001, customs dogs, search and rescue dogs, border patrol dogs, police dogs, and
24 secret service dogs have also helped to protect and serve our nation and are
25 accordingly recognized with the military working dogs on K-9 Veterans Day; and

1 Whereas, a military working dog named Cairo was part of the operation that
2 killed Osama bin Laden; and
