

2013 ASSEMBLY JOINT RESOLUTION 87

February 4, 2014 – Introduced by Representatives J. OTT and SANFELIPPO. Referred to Committee on Judiciary.

AUTHORS SUBJECT TO CHANGE

1 **To amend** section 2 of article X of the constitution; **relating to:** proceeds from the
2 sale of seized vehicles (first consideration).

Analysis by the Legislative Reference Bureau

The constitution requires that all funds that accrue to the state from forfeitures, escheats, fines for the breach of penal laws, and unrestricted grants shall be deposited into the school fund. This proposed constitutional amendment, proposed to the 2013 legislature on first consideration, requires that net proceeds from the sale of vehicles that are seized by law enforcement officers from persons who are convicted of evading arrest or of a felony offense of operating a vehicle while intoxicated be credited to the unit of government that seized the vehicle.

A proposed constitutional amendment requires adoption by two successive legislatures, and ratification by the people, before it can become effective.

3 **Resolved by the assembly, the senate concurring, That:**

4 **SECTION 1.** Section 2 of article X of the constitution is amended to read:

1 the state by forfeiture or escheat; and the clear proceeds of all fines collected in the
2 several counties for any breach of the penal laws, and all moneys arising from any
3 grant to the state where the purposes of such grant are not specified, and the 500,000
4 acres of land to which the state is entitled by the provisions of an act of congress,
5 entitled "An act to appropriate the proceeds of the sales of the public lands and to
6 grant pre-emption rights," approved September 4, 1841; and also the 5 percent of the
7 net proceeds of the public lands to which the state shall become entitled on admission
8 into the union (if congress shall consent to such appropriation of the 2 grants last
9 mentioned) shall be set apart as a separate fund to be called "the school fund," the

20 **SECTION 2. Numbering of new provisions.** If another constitutional
21 amendment ratified by the people creates the number of any provision created in this
22 joint resolution, the chief of the legislative reference bureau shall determine the
23 sequencing and the numbering of the provisions whose numbers conflict and shall
24 adjust any cross-references to those provisions.
