2             sector who came to protest Act 10.

3             Whereas, the Wisconsin state assembly wants to recognize, and apologize, to  
4     the members of Wisconsin's public sector who came to protest Act 10. We recognize

9     our minds and bodies healthy; and

10            Whereas, all dedicated public workers, whether they plow our roads or  
11     maintain our property records, or perform any other needed service, serve us  
12     effectively and contribute to the quality of life for our citizens; and

13            Whereas, the Wisconsin state assembly thanks you, the public workers, for  
14     your service to your state and your fellow citizens. We know that you have worked  
15     hard during great economic downturn to ensure that our citizens continue to receive

2 Wisconsinites, are grateful for your professionalism and commitment to public  
3 service; and

4 Whereas, our state faces some very serious and undeniable financial  
5 challenges. Many of you are aware of the immediate challenges facing our state. In  
6 the current fiscal year which ends on June 30, 2015, we face a budget deficit of \$136.7  
7 million. Looking to the future, our challenges are even greater. Over the next two  
8 years, the state of Wisconsin faces a biennial budget deficit of roughly \$2 billion; now,  
9 therefore, be it

10 ***Resolved by the assembly, That:*** Wisconsin's state employees are second to  
11 none in our nation. Our citizens expect great service, and you have delivered. The  
12 state assembly knows you will continue to deliver top-notch programs for  
13 Wisconsin's taxpayers. The state assembly thanks you again for your service to our  
14 state, and with deep hearts the state assembly apologizes for Governor Walker's  
15 insensitive comments.
