Referred to Committee on Government Operations, Legal Review and Consumer Protection.

AUTHORS SUBJECT TO CHANGE

- 1 **AN ACT to create** 49.45 (39n) of the statutes; **relating to:** Medical Assistance
2 coverage of COVID-19 testing and vaccine administration by pharmacies.

Analysis by the Legislative Reference Bureau

This bill requires Department of Health Services to ensure that vaccines against SARS-CoV-2 coronavirus and tests for COVID-19 that are otherwise covered and reimbursed under the Medical Assistance program are covered and reimbursed when administered by a pharmacy. DHS must certify pharmacies as Medical Assistance providers as necessary to cover and reimburse pharmacies for administering COVID-19 vaccines and tests as the bill requires. Current law requires DHS to reimburse pharmacists for administering vaccines to children if the federal Department of Health and Human Services has approved the request by DHS to amend the state's Medical Assistance plan to allow such reimbursement and if the pharmacist enrolls in the federal Vaccines for Children Program.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 **SECTION 1.** 49.45 (39n) of the statutes is created to read:
4 49.45 (**39n**) PHARMACY REIMBURSEMENT FOR VACCINES AND COVID-19 TESTS. The
