- 1 AN ACT to amend 985.01 (7), 985.02 (2) (a), 985.02 (2) (b), 985.02 (2) (c), 985.02
- 2 (3) and 985.08 (1) of the statutes; **relating to:** publication of certain legal notices on an Internet site maintained by a municipality.

#### Analysis by the Legislative Reference Bureau

Under current law, certain legal notices are required by statute or by an order of a court to be published. Legal notices are generally published in a newspaper likely to give notice in the area or to the persons affected. Current law also allows certain municipalities to opt to post certain legal notices in lieu of publishing the notices in a newspaper, if the municipality meets statutory requirements regarding timing and placement of the notices.

Under current law, the municipality must post the notice in at least three public places likely to give notice to persons affected, and must post a notice that would be published before the act or event requiring notice no later than the time specified for the first newspaper publication or, if the notice would be published after the act or event requiring notice, must post the notice within one week after the act or event.

Under this bill, a municipality that opts to post a legal notice in lieu of publication may, instead of posting the notice in three public places, post the notice in one public place and publish the notice on the municipality's Internet site.
