Analysis by the Legislative Reference Bureau

This bill expands the definition of “veteran” to include either 1) individuals who were naturalized pursuant to the Hmong Veterans’ Naturalization Act of 2000; or 2) individuals who the secretary of Veterans Affairs has determined served honorably with a special guerrilla unit or irregular forces operating from a base in Laos in support of the armed forces of the United States at any time during the period from February 28, 1961, to May 7, 1975, and who are citizens of the United States or aliens lawfully admitted for permanent residence in the United States who reside in Wisconsin. The bill extends most veterans benefits to anyone who meets this newly expanded definition of veteran, however, admission to a state veterans home and burial in a veterans cemetery are not included benefits as they are subject to federal regulation.
