

2011 SENATE BILL 269

October 31, 2011 - Introduced by Senators LAZICH, GROTHMAN and KEDZIE, cosponsored by Representatives PRIDEMORE and SPANBAUER. Referred to Committee on Transportation and Elections.

1 **AN ACT** *to amend* 7.30 (2) (a) and (b) of the statutes; **relating to:** residency of
2 election officials.

Analysis by the Legislative Reference Bureau

Currently, election officials are generally required to be qualified electors of the municipality in which the officials serve. In addition, election officials who serve at a polling place are generally required to be qualified electors of the ward for which the polling place is established, whenever a municipality is divided into wards. However, special registration deputies who register electors at a polling place on election day, election officials who are appointed to work at a polling place that serves more than one ward, election officials who are reassigned by a municipal clerk or board of election commissioners to correct staffing deficiencies, or election officials who are appointed to fill a temporary or permanent vacancy need not be electors of any particular ward, but must be qualified electors of the municipality in which they serve. Officials who are appointed to work at a polling place that serves more than one ward must be electors of one of the wards served by the polling place. A high school pupil who is 16 or 17 years of age may serve as an inspector (poll worker) at the polling place serving his or her residence. In addition, if the municipal clerk or the executive director of a board of election commissioners or a deputy to the clerk or executive director serves as a special registration deputy or is appointed to work at a polling place to fill a vacancy in an inspector position, the clerk, executive director, or deputy need not be a resident of the municipality in which he or she serves.

This bill provides that an individual who serves as an election official at a polling place on election day need be an elector only of the county where he or she

serves, except as the law currently permits the individual to reside elsewhere, and except that a high school pupil who serves as an inspector must continue to meet the current residency requirement.
