AUTHORS SUBJECT TO CHANGE

1 **AN ACT** *to amend* 40.22 (1), 40.22 (2m) (intro.), 40.22 (2r) (intro.) and 40.22 (3)
2 (intro.); and *to create* 40.26 (7) of the statutes; **relating to:** protective
3 occupation annuitants in the Wisconsin Retirement System who are rehired by
4 a participating employer.

Analysis by the Legislative Reference Bureau

Under current law, certain persons who receive a retirement or disability annuity from the Wisconsin Retirement System and who are hired by an employer that participates in the WRS must suspend that annuity and may not receive a WRS annuity payment until the employee is no longer in a WRS-covered position. This suspension applies to a person who 1) has reached his or her normal retirement date; 2) is appointed to a position with a WRS-participating employer or provides employee services to a WRS-participating employer; and 3) is expected to work at least two-thirds of what is considered full-time employment by the Department of Employee Trust Funds.

This bill creates an exception to this suspension for an annuitant who retired from employment with a participating employer and who is subsequently rehired or provides employee services after retirement if 1) the annuitant retired as a protective occupation participant; 2) at the time the annuitant initially retires from covered employment with a participating employer, the annuitant does not have an agreement with any participating employer to return to employment; and 3) the annuitant elects to not become a participating employee at the time the annuitant is rehired or enters into a contract after retirement. In other words, the bill allows

an annuitant who retired as a protective occupation participant to return to work with an employer who participates in the WRS and elect to not become a participating employee for purposes of the WRS, and instead continue to receive his or her annuity.
