AUTHORS SUBJECT TO CHANGE

1 **AN ACT** *to renumber and amend* 16.84 (5); and *to create* 16.84 (5) (a) 2. of the
2 statutes; **relating to:** leases of real property for executive agencies and a plan
3 to relocate the Department of Children and Families headquarters.

Analysis by the Legislative Reference Bureau

This bill requires that the Department of Administration, when entering into or renewing a lease of real property for an executive branch agency, perform a cost-benefit analysis for that agency and the Joint Committee on Finance of any savings that would accrue to the state if the agency were relocated. In performing the cost-benefit analysis, this bill requires DOA to solicit at least three lease options. Two options must be in the two counties, other than Dane and Milwaukee, in which the executive branch agency provides the greatest number of services, and the third option may be in Dane or Milwaukee County.

This bill also requires the Department of Children and Families to develop a plan to move DCF headquarters from the city of Madison to Milwaukee County. The bill requires DCF to include in the plan the costs of relocating the headquarters, a timeline for implementing the relocation, and a list of options for Milwaukee County locations. The bill requires DCF to complete the plan in time for the plan to be included in DCF's 2019-21 biennial budget request.
