Analysis by the Legislative Reference Bureau

Under current law, a person who intentionally causes bodily harm to a probation, extended supervision, and parole agent; a community supervision agent; or an aftercare agent is guilty of a Class H felony. This bill expands the crime so that intentionally harming a family member of the agent, or threatening to harm the agent or a family member of the agent, is also a Class H felony.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
