AUTHORS SUBJECT TO CHANGE

1 **Relating to:** recognizes the month of February 2016 as Career and Technical
2 Education Month in Wisconsin.

3 Whereas, Wisconsin’s educational institutions including world-class public
4 schools and technical colleges are an invaluable resource for Career and Technical
5 Education (CTE); and

6 Whereas, CTE programs provide multiple pathways for students to become
7 college and career ready while still in high school and are utilized by nearly
8 two-thirds of our state’s high schoolers — with 88,000 taking CTE courses in areas
9 such as health occupations, manufacturing, technology and engineering,
10 agriculture, and business; and

11 Whereas, Wisconsin benefits from tremendous cooperation between
12 businesses, schools, and technical colleges that creates opportunity for students to
13 explore careers, earn industry certification, and gain postsecondary credit while
14 working toward high school graduation; and
