

FISCAL NOTE

The fiscal impact to the judicial system is indeterminable due to an unknown number of cases.

The fiscal or personnel impact to the Attorney General's Office is indeterminable. The Attorney General's Office indicates that there will likely be enforcement and investigatory costs, but those are hard to determine due to an unknown level of compliance with the provisions of the bill. Additionally, the ability to recover reasonable attorney's fees and costs may help offset any fiscal or personnel impact the bill may pose to the Attorney General's Office.

There is no significant fiscal or personnel impact to the Department of Audit.
