ENROLLED ACT NO. 9, HOUSE OF REPRESENTATIVES

SIXTY-SEVENTH LEGISLATURE OF THE STATE OF WYOMING
2023 GENERAL SESSION

AN ACT relating to child support; amending the presumptive child support amounts; and providing for an effective date.

Be It Enacted by the Legislature of the State of Wyoming:

Section 1. W.S. 20-2-304(a)(i) through (v) is amended to read:

20-2-304. Presumptive child support.

(a) Child support shall be expressed in a specific dollar amount. The following child support tables shall be used to determine the total child support obligation considering the combined income of both parents. The appropriate table is based upon the number of children for whom the parents share joint legal responsibility and for whom support is being sought. After the combined net income of both parents is determined it shall be used in the first column of the tables to find the appropriate line from which the total child support obligation of both parents can be computed from the third column. The child support obligation computed from the third column of the tables shall be divided between the parents in proportion to the net income of each. The noncustodial parent's share of the joint child support obligation shall be paid to the custodial parent through the clerk as defined by W.S. 20-6-102(a)(x):
