SIXTY-THIRD LEGISLATURE OF THE STATE OF WYOMING
2015 GENERAL SESSION

(a) There is created the corrective action account. This account is intended to provide for financial assurance coverage required by federal law and shall be used by the department to take corrective action in response to a release and to remediate solid waste landfills. The department shall use monies from the corrective action account as appropriated by the legislature for the administration of this article and W.S. 35-11-533 through 35-11-537. Interest earned by this account shall be deposited in the general fund. Monies in the corrective action account shall also be used for the state water pollution control revolving loan account pursuant to W.S. 16-1-201 through ~~16-1-206~~ 16-1-207. Except as provided in subsection (p) of this section, and contingent on availability of money in the account, the director shall distribute monies in the corrective action account to the solid waste landfill remediation account created by W.S. 35-11-535 on July 1 of each specified year in an amount not less than:

(i) 2019 - two million dollars (\$2,000,000.00);

(ii) 2020 - five million dollars (\$5,000,000.00);

(iii) 2021 - six million dollars (\$6,000,000.00);

(iv) 2022 - six million dollars (\$6,000,000.00);

(v) 2023 - seven million dollars (\$7,000,000.00);

(vi) 2024 and each year thereafter - the director shall determine expected expenditures from the corrective action account for the underground storage tank

program for the next fiscal year and retain monies equal to that amount in the corrective action account, with the remainder of the monies deposited to the landfill remediation account, but in no event shall monies in the corrective action account on July 1 of any year be less than five million dollars (\$5,000,000.00).

(p) The director is authorized to withhold distributions from the corrective action account to the municipal solid waste remediation account as provided in subsection (a) of this section in the event of:

(i) An emergency involving a leaking underground storage tank which requires immediate corrective action which will require an expenditure of monies in excess of the monies available in the corrective action account; or

(ii) Monies in the account are less than the amount required by federal law to provide for financial assurance coverage or adequate leaking underground storage tank remediation.

(q) The director shall submit a report to the joint minerals, business and economic development interim committee by June 15, 2019 and by June 15 of every year thereafter, describing the amount to be withheld in the corrective action account pursuant to subsection (a) of this section, and the factors used in making that determination.

(r) In the event the director exercises the authorization provided under subsection (p) of this account, the director shall inform the joint minerals, business and economic development interim committee in writing of the withholding of the distribution.
