1 1. Of this general fund appropriation, forty thousand dollars (\$40,000.00) shall only be expended for
 2 purposes of defraying moving expenses for gubernatorial appointees who are required to move to Cheyenne.
 3 These funds shall not be transferred or expended for any other purpose and any unexpended, unobligated
 4 funds remaining from this appropriation on June 30, 2012 shall revert to the budget reserve account. Not
 5 more than five thousand dollars (\$5,000.00) shall be expended for any one (1) appointee. Any funds expended
 6 for this purpose shall be reimbursed to the state by the appointee if the appointee is employed by the
 7 state for less than twelve (12) months.

8
 9 2. Of this general fund appropriation, sixty thousand dollars (\$60,000.00) shall only be expended if there
 10 is a change of governor as a result of the 2010 general election and then only for transition staff
 11 salaries, travel and other related office expenses. Not more than ten thousand dollars (\$10,000.00) of this
 12 sixty thousand dollars (\$60,000.00) may be expended for expenses incurred in relocating from the governor's
 13 mansion. These funds shall not be transferred or expended for any other purpose and any unexpended,
 14 unobligated funds remaining from this appropriation on June 30, 2012 shall revert to the budget reserve
 15 account.

16
 17 3. This appropriation shall only be used for addressing costs incurred to render essential state services
 18 in cases of disaster.

19
 20 4. Of this general fund appropriation, and any funds reappropriated under section 321 of this act, one
 21 hundred thousand dollars (\$100,000.00) shall only be expended for the purposes of continuing the work of
 22 the clean coal research task force created by W.S. 21-17-121.

23
 24 5. Of this general fund appropriation, two hundred fifty thousand dollars (\$250,000.00) shall only be

1 ports available to receive rail shipments of large volumes of Wyoming nonrenewable natural resources. If
 2 the governor determines there is a need and that benefits would accrue to the state in securing that
 3 availability, he may expend not more than two hundred fifty thousand dollars (\$250,000.00) of this general
 4 fund appropriation to support efforts to do so.

5
 6 6. Of this general fund appropriation, six hundred ten thousand dollars (\$610,000.00) shall only be
 7 expended for the purposes of evaluating impacts and formulating mitigation strategies associated with
 8 mineral exploration and production in southeastern Wyoming. The governor shall allocate these funds to the
 9 state engineer to ensure water right and usage compliance issues are adequately addressed, and to the
 10 department of transportation for evaluation of road impacts. One (1) at-will position is authorized through
 11 June 30, 2012, for the purposes stated in this footnote. This additional position shall not be included in
 12 the 2013-2014 standard budget request.

13
 14 7. Of this general fund appropriation, one hundred thousand dollars (\$100,000.00) shall only be expended

3
 4 2. The construction management division of the department of administration and information shall negotiate
 5 the purchase of lands for the expansion of Camp Guernsey. The military department is authorized to
 6 purchase such lands at the negotiated price which shall be not more than fair market value and not in
 7 excess of the total amount of this appropriation. Such acquisitions shall be managed for contiguous land
 8 ownership by the department and to avoid the creation of private inholdings.

9
 10 3. In replacing the tourism center located at I-25 and College Drive in Cheyenne, the tourism board shall
 11 work cooperatively with the Wyoming department of transportation to achieve release of encumbrances on the
 12 tourism center in place as a result of use of federal funding, and to the extent necessary may transfer
 13 those encumbrances to the new facility to achieve that goal.

14
 15 4. Of this general fund appropriation, ten thousand dollars (\$10,000.00) shall only be expended to
 16 evaluate options for long-term remodeling or replacement of the governor's mansion.

17
 18 5. Of this general fund appropriation, two hundred thousand dollars (\$200,000.00) shall only be expended
 19 for remodeling the governor's mansion.

20
 21 6. Of this general fund appropriation, three hundred forty-four thousand three hundred dollars
 22 (\$344,300.00) shall only be expended for ventilation systems in buildings located at the state fair. The
 23 Wyoming attorney general shall investigate the possibility of warranty claims or potential recovery of

Section 4. Sections 300, 306, 314, 330 and by creating new sections 342 through 350 are amended to read:

[BUDGET BALANCERS - TRANSFERS]

Section 300.

(a) There is appropriated an amount not to exceed ~~one billion sixteen million six hundred thirteen thousand four hundred forty one dollars (\$1,016,613,441.00)~~ one billion one hundred twenty million forty-six thousand seven hundred ninety-four dollars (\$1,120,046,794.00) from the budget reserve account to the general fund. The state auditor shall transfer funds under this subsection as necessary to maintain a positive unappropriated general fund balance.

(b) Any amount of unappropriated funds remaining in the budget reserve account on June 30, 2012 in excess of ~~ninety-three million twenty-five thousand dollars (\$93,025,000.00)~~ ninety-eight million seven hundred fifty thousand dollars (\$98,750,000.00) shall be transferred to the legislative stabilization reserve account.

1 (c) All unappropriated, unobligated and unencumbered funds remaining in the general
2 fund on June 30, 2012 shall be transferred to the legislative stabilization reserve
3 account.

4
5 [MEDICAID CONTINGENCY APPROPRIATIONS]

6
7 **Section 306.**

8
9 (a) There is appropriated from the general fund to the state auditor twenty-five
10 million dollars (\$25,000,000.00) for the purpose of providing a reserve for the state's
11 share of all Medicaid programs. ~~Of this appropriation, sixteen million dollars~~
12 ~~(\$16,000,000.00) shall only be expended after further action reappropriating these funds~~
13 ~~by the legislature, and only if the governor determines no other sources of funds are~~
14 ~~available. The remaining nine million dollars (\$9,000,000.00) of This appropriation~~
15 shall only be expended as necessary for an increase in caseload beyond the current
16 projections for the 2011-2012 fiscal biennium and only if the governor determines no
17 other sources of funds are available. These funds shall not be transferred or expended
18 for any other purpose and any unexpended, unobligated funds remaining from this
19 appropriation on June 30, 2012 shall revert according to law.

20

[PUBLIC LIBRARY ENDOWMENT CHALLENGE FUND]

Section 330.

There is appropriated from the general fund to the public library endowment challenge fund created under W.S. 18-7-201 et seq., ~~three million dollars (\$3,000,000.00)~~ six million dollars (\$6,000,000.00) to be deposited, invested, distributed and expended in accordance with W.S. 18-7-201 through 18-7-205. Any unexpended, unobligated funds from the amounts appropriated under this section existing in the challenge fund on June 30, 2015 shall revert according to law.

[LOCAL GOVERNMENT DISTRIBUTIONS - II]

Section 342.

[CAPITAL PROJECT FUNDING]

(a) There is appropriated from the general fund, thirty-five million dollars (\$35,000,000.00) to the office of state lands and investments to be expended for the purpose of grants for capital improvement projects and subject to subsection (b) of this section shall be allocated for each county as follows:

1 (i) To each county an amount equal to the amount allocated in this subsection
2 multiplied by eighty percent (80%) divided by the total state population and multiplied
3 by the county's population; plus

4
5 (ii) To each county, an amount equal to the remainder of the amount allocated
6 in this subsection multiplied by each county's inverse per capita assessed valuation
7 factor computed as follows:

8
9 (A) Divide each county's tax year 2010 assessed valuation by that
10 county's population to compute county assessed valuation per capita and the total state
11 tax year 2010 assessed valuation by the total state population to compute state assessed
12 valuation per capita;

13
14 (B) Divide the state assessed valuation per capita by each county's
15 assessed valuation per capita to compute an inverse ratio for each county;

16
17 (C) Sum all the county inverse ratios computed in subparagraph (B) of
18 this paragraph for a state total inverse ratio;

19
20 (D) Divide each county's inverse ratio by the state total inverse ratio
21 to compute each county's inverse per capita assessed valuation factor.

1

2 (b) Funds subject to subsection (a) of this section shall not be distributed until
3 after June 1, 2011 and shall only be expended for capital projects, including capital
4 projects constructed by special districts. To be eligible for the grants, the board of
5 county commissioners and the governing bodies of the cities and towns within that county
6 that comprise at least seventy percent (70%) of the incorporated population shall certify
7 to the state loan and investment board that they have reached agreement on the projects
8 for which the funds will be used.

9

10 (c) For purposes of this section, population is to be determined by resort to the
11 2010 decennial federal census as updated by the bureau of census.

12

13 (d) In preparing the 2013-2014 biennial budget, the governor shall include a
14 recommendation of one hundred twenty-five million dollars (\$125,000,000.00) from the
15 general fund for appropriation to cities, towns and counties, if the general fund and
16 budget reserve account total revenues for fiscal years 2013 and 2014 as projected by the
17 consensus revenue estimating group in the October 2011 estimation process equal or exceed
18 the general fund and budget reserve account projected total revenues in the January 2011
19 revenue estimates.

20

1 [DATA CENTER RECRUITMENT]

2

3 Section 343.

4

5 (a) There is appropriated from the general fund, fifteen million dollars

6 (\$15,000,000.00) to the governor's office for the purposes of providing grants to cities,

7 towns and counties for necessary public infrastructure to enable the recruitment and

8 operation of data centers. The expenditure of this appropriation shall be subject to the

9 following:

10

11 (i) The data center shall have:

12

13 (A) Entered into a contract or option for the purchase or lease of real

14 property on which the data center is to be constructed and which is zoned to allow use of

15 the property as a data center;

16

17 (B) An anticipated construction cost of more than fifty million dollars

18 (\$50,000,000.00);

19

1 (C) Posted a bond securing repayment of all funds expended from any grant
2 under this section on infrastructure for the site if construction of the data center has
3 not commenced within three (3) years after the last expenditure of those funds.

4
5 (ii) The proposed use of the grant funds shall be reviewed by the attorney
6 general and the attorney general shall first determine that the infrastructure will be of
7 substantial benefit to the public and that the use is lawful;

8
9 (iii) The governor may require as a condition to any grant that the city, town
10 or county enter into a cooperative agreement with the Wyoming business council or the
11 Wyoming department of transportation to oversee the expenditure of the grant funds;

12
13 (iv) If the governor has received multiple applications for the grant funds
14 before approval of any grant, the grant funds shall be allocated in the governor's sole
15 determination between the governmental entities based upon the anticipated assessed
16 valuation of the projects and expected employment. No determination by the governor
17 under this section is appealable.

18

1 [COMMUNITY COLLEGES - ENDOWMENT]

2

3 Section 344.

4

5 There is appropriated three million five hundred thousand dollars (\$3,500,000.00) from

6 the general fund to the state treasurer for deposit into the community college endowment

7 challenge fund established under W.S. 21-16-1103. This appropriation shall be deposited

8 in equal amounts to the challenge fund account of each community college. These funds

9 shall be expended as prescribed under W.S. 21-16-1101 through 21-16-1104.

10

11 [DEPARTMENT OF ENVIRONMENTAL QUALITY - FUNDING CORRECTION]

12

13 Section 345.

14

15 2010 Wyoming Session Laws, Chapter 97, Sections 4 and 5 are repealed and funds

16 appropriated pursuant to section 4 of that act shall be deposited to the general fund.

17

1 of funds specified in subsection (b) of this section for the period ending June 30, 2012
2 for the following projects:

3
4 (i) Fifty million one hundred thousand dollars (\$50,100,000.00) for the
5 abandoned mine reclamation program and operation of the mine subsidence insurance
6 program;

7
8 (ii) Twenty-five million four hundred two thousand seventy dollars
9 (\$25,402,070.00) to the Wyoming water development office for the Gillette Madison water
10 project.

11
12 (d) The legislature authorizes the department of environmental quality to submit
13 grant applications to the federal office of surface mining for distribution of a portion
14 of funds specified in subsection (b) of this section to the University of Wyoming for the
15 period ending June 30, 2012 for the following projects:

16
17 (i) Fifty million dollars (\$50,000,000.00) for the Michael B. Enzi science,
18 technology, engineering and mathematics (STEM) undergraduate teaching laboratory;

19

1 (ii) One million fifty thousand dollars (\$1,050,000.00) for nonoperational and
2 other administrative costs associated with the high plains gasification - advanced
3 technology center prior to operations;

4
5 (iii) Six million two hundred forty-seven thousand nine hundred thirty dollars
6 (\$6,247,930.00) for energy science graduate stipends and fellowships. Expenditures under
7 this paragraph are subject to the following:

8
9 (A) The University of Wyoming shall not supplant any existing graduate
10 stipend or fellowship funding with these funds;

11
12 (B) The University of Wyoming shall not expend more than one million
13 dollars (\$1,000,000.00) per year from these funds;

14
15 (C) The University of Wyoming shall establish minimum grade point average
16 and graduate record examination score thresholds for qualifying students to ensure that
17 only highly qualified candidates are awarded energy science graduate stipends or
18 fellowship opportunities; and

19
20 (D) The University of Wyoming shall provide an annual report to the joint
21 appropriations interim committee, the joint minerals, business and economic development

1 interim committee and the governor by November 1 of each year that this appropriation is
2 in effect. The report shall detail the number of energy science graduate stipends and
3 fellowships awarded with funding from this appropriation. The report shall also include
4 information demonstrating that the University of Wyoming has complied with subparagraph
5 (d)(iii)(B) of this section.

6
7 (e) In the event that the funding referenced in subsection (a) of this section as
8 approved by congress is not sufficient for all purposes specified in this section, the
9 department of environmental quality shall submit grant applications to the federal office
10 of surface mining to fully fund projects in the order listed in this section, to the
11 extent funds are available.

12
13 (f) The department of environmental quality, in consultation with the University of
14 Wyoming and with the approval of the governor, may substitute other University of Wyoming
15 purposes in its grant applications under subsection (d) of this section but only as
16 necessary to replace university block grant funds expended as necessary to satisfy
17 requirements prohibiting the use of abandoned mine land funds to match federal funds or
18 where the use of federal abandoned mine land funds would be impractical for projects
19 under paragraphs (d)(i), (ii) and (iii) of this section.

20

1 (g) Except for funds subject to subsection (d) of this section, funds appropriated
2 under this section shall be for the period beginning with the effective date of this
3 section and ending June 30, 2012. Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and
4 9-4-207(a), any unexpended, unobligated funds subject to:

5
6 (i) Paragraph (d)(i) shall not revert until June 30, 2015;

7
8 (ii) Paragraph (d)(ii) shall not revert until June 30, 2014; and

9
10 (iii) Paragraph (d)(iii) shall not revert until June 30, 2018.

11
12 (h) No construction of the science, technology, engineering and mathematics
13 building specified in paragraph (c)(i) of this section shall commence until after:

14
15 (i) The city of Laramie has vacated those portions of eleventh, twelfth and
16 thirteenth streets between Lewis street and Clark street and that portion of Lewis street
17 between tenth and fourteenth streets; and

18
19 (ii) The university owns all real property in Laramie north of Lewis street
20 and south of Clark street between tenth and fourteenth streets.

21

1 (j) The university shall transfer three million five hundred thousand dollars
2 (\$3,500,000.00) from the general funds appropriated for its block grant to establish a
3 sinking fund for the science, technology, engineering and mathematics building specified
4 in paragraph (c)(i) of this section. The sinking fund shall be used to offset the costs
5 associated with operations and maintenance of the building.

6
7 (k) Of the funds appropriated in paragraph (c)(i) of this section, up to three
8 million five hundred thousand dollars (\$3,500,000.00) may be used for furnishings,
9 fixtures and equipment for the science, technology, engineering and mathematics building.

10
11 [LEGISLATIVE SERVICE OFFICE]

12 **Section 347.**

13
14 (a) There is appropriated from the general fund to the legislative service office
15 the following amounts:

16
17 (i) Seven hundred sixty-five thousand dollars (\$765,000.00) for development
18 and implementation of the legislative management system;

19
20 (ii) Sixty-two thousand dollars (\$62,000.00) for digitization of the house and
21 senate digests;

1

2 (iii) Thirty thousand six hundred seventy-five dollars (\$30,675.00) for
3 computer software upgrades;

4

5 (iv) Five thousand dollars (\$5,000.00) for the purchase of legislative
6 procedure manuals.

7

8 (b) The unobligated portions of the following appropriations are hereby
9 reappropriated to the legislative service office to be used for miscellaneous furnishings
10 and projects:

11

12 (i) The remaining balance of funds originally appropriated to the legislative
13 service office by 2008 Wyoming Session Laws, Chapter 47, Section 7(a) and carried forward
14 and reappropriated to the legislative service office by 2010 Wyoming Session Laws,
15 Chapter 53, Section 4(a)(i);

16

17 (ii) The remaining balance of funds appropriated to the legislative service
18 office by 2010 Wyoming Session Laws, Chapter 53, Section 7(a)(ii).

19

[LEGISLATIVE SERVICE OFFICE APPROPRIATIONS]

Section 348. 2010 Wyoming Session Laws, Chapter 53, section 1 is amended to read:

[SCHOOL CAPITAL CONSTRUCTION - II]

Section 349.

(a) As used in this section, needs index priority shall be based upon the needs index priority used under 2010 Wyoming Session Laws, Chapter 39, Section 333.

(b) The following amounts are appropriated from the school capital construction account to the school facilities commission for the remainder of the 2011-2012 biennium for the specified purposes:

(i) For planning projects:

(A) One hundred thousand dollars (\$100,000.00) for the following planning projects subject to prescribed maximum amounts:

1	<u>Need</u>			
2	<u>Index</u>	<u>School</u>		<u>Maximum</u>
3	<u>Priority</u>	<u>District</u>	<u>Project</u>	<u>Amount</u>
4				
5	<u>50</u>	<u>Fremont #2</u>	<u>High School</u>	<u>\$ 50,000</u>
