

SENATE FILE NO. SF0003

School facilities-collaborative committee process.

Sponsored by: Select Committee on School Facilities

A BILL

for

1 AN ACT relating to school facilities; requiring school
2 district boards of trustees to incorporate a local
3 collaborative committee process in executing and deploying
4 building remedies funded by the legislature; and providing
5 for an effective date.

6

7 *Be It Enacted by the Legislature of the State of Wyoming:*

8

9 **Section 1.** W.S. 21-15-116 by creating a new
10 subsection (g) is amended to read:

11

12 **21-15-116. School district facility plans;**
13 **development, review and approval; plan criteria;**
14 **administrative review; collaborative committee process.**

15

16 (g) In expending funds appropriated by the legislature
17 for projects submitted by the commission under W.S.

1 21-15-119, and commensurate with school district efforts
2 undertaken in facility planning required under subsection
3 (a) of this section, the school facilities department shall
4 require school district boards of trustees to incorporate a
5 collaborative committee process, advisory to the board,
6 which assists the school district with planning district
7 remedies for school buildings, ranging from site selection
8 to project planning and design. The collaborative committee
9 process for remedy development shall include project
10 stakeholders comprised of students, parents, teachers,
11 principals, district administration, school board of trustee
12 members, representative legislators, at-large members of the
13 community and others. Although advisory to district boards,
14 the collaborative committee shall assist the boards with
15 informing the respective community and in developing
16 community-based input into project development.

17

18 **Section 2.** This act is effective July 1, 2014.
