

SENATE FILE NO. SF0073

Prescription tracking program amendments.

Sponsored by: Senate Labor, Health and Social Services
Committee

A BILL

for

1 AN ACT relating to controlled substances; authorizing the
2 board of pharmacy to release information from the
3 prescription tracking program as specified; and providing
4 for an effective date.

5

6 *Be It Enacted by the Legislature of the State of Wyoming:*

7

8 **Section 1.** W.S. 35-7-1060(c)(v) and by creating a new
9 paragraph (vii) is amended to read:

10

11 **35-7-1060. Controlled substance prescription tracking**
12 **program.**

13

14 (c) The tracking program shall not be used to
15 infringe on the legal use of a controlled substance.

1 Information obtained through the controlled substance
2 prescription tracking program is confidential and may not
3 be released and is not admissible in any judicial or
4 administrative proceeding, except as follows:

5

6 (v) The board may release information that does
7 not identify individual patients, practitioners,
8 pharmacists or pharmacies, for educational, research or
9 public information purposes; ~~and~~

10

11 (vii) The board may establish a data sharing
12 agreement with other states for purposes of this section
13 and may release information to those states when the
14 release of the information may be of assistance in
15 preventing or avoiding inappropriate use of controlled
16 substances.

17

18 **Section 2.** This act is effective July 1, 2020.
