

SENATE FILE NO. SF0084

Long acting reversible contraception.

Sponsored by: Senator(s) Rothfuss and Craft and Representative(s) Dayton, Petroff and Throne

A BILL

for

1 AN ACT relating to family planning; providing that
2 contraception information and services provided by the
3 department of health shall include long acting reversible
4 contraception including injections, intrauterine devices
5 and implants; and providing for an effective date.

6

7 *Be It Enacted by the Legislature of the State of Wyoming:*

8

9 **Section 1.** W.S. 42-5-101(a) and by creating a new
10 subsection (e) is amended to read:

11

12 **42-5-101. Provision of information and services;**
13 **refusal to accept.**

14

1 (a) The department of health may provide and pay for
2 family planning and birth control information and services
3 including interviews with trained personnel, distribution
4 of literature, referral to a licensed physician for
5 consultation, examination, tests, medical treatment and
6 prescription and to the extent prescribed, the distribution
7 of rhythm charts, drugs, medical preparation, contraceptive
8 devices, injections, intrauterine devices, implants and
9 similar products, to any person who may benefit from this
10 information and these services. Information and services
11 shall be provided in a language understood by the
12 recipient.

13

14 (e) The department of health shall provide
15 information on the most effective forms of contraception
16 available including long acting reversible contraception
17 such as injections, intrauterine devices and implants. Long
18 acting reversible contraception shall be made available to
19 the extent birth control services are provided under
20 subsection (a) of this section.
